

# PHIL PUTNAM

## Audio, Visual, and Logistical Requirements

The following requirements will ensure Phil's top performance and greatest impact on your audience. Please provide the following:

- **AUDIO:**
  - A wireless headset or lavalier microphone (headset is preferred)
  
- **VISUAL**
  - Projection system and screen(s) to display slides to the audience
  - Projector with HDMI input and cable (if slides will be projected from a laptop rather than loaded into a show system)
  - Confidence monitor - at least one monitor at the foot of the stage
  - Countdown timer
  
- **SOUNDCHECK**
  - A sound check in the presentation room
    - On the day of delivery
    - At least 30 minutes long
    - Occurs before doors open and the audience enters
